**School Performance Grade:**  
 School Performance Grades were issued as required by the NC General Assembly. All public schools in North Carolina have been assigned an A through F letter grade based on achievement and growth. The achievement score is worth 80% of the school performance grade, and the growth score is worth 20% of the school performance grade. After combining these 2 values, the score is placed on the following scale:

- A: 85-100 points
- B: 70-84 points
- C: 55-69 points
- D: 40-54 points
- F: Less than 40 points

Schools may be designated with an A+NG if, after being assigned an "A" using the school performance grade calculations, the school does not demonstrate significant gaps between subgroups that exceeds the state gap on achievement/graduation rates.

In the event that a school meets or exceeds growth and their final score and grade are reduced when growth is combined with achievement, growth will not be included in the final score and grade. The achievement score will be used as the
